Dear Roger:

25X1A9a

Please refer to [redacted] s letter of 15 August 1951 regarding the Balkan Roundup which your Bureau prepares.

This service is presently being supplied for the sole benefit of one office of the Agency. It is inappropriate to discuss the use to which the recipient puts the Roundup at this time, but I assure you that it plays a very important part in the activities of the CIA.

I am deeply concerned that we have not furnished you with more guidance to date. With this in mind, we have recently directed a memorandum to the Assistant Director [redacted] concerned, specifically asking for constructive criticism on the [redacted] Balkan Roundup. So far I have received no answer, but expect one sometime later this week.

During my forthcoming visit I will at least be able to explain to you and Bob the importance of this report. Meanwhile, I assure you that we are keeping a careful check to insure that it is a current and continuing need.

Sincerely,

25X1A9a
